

# Qount Client App Overview

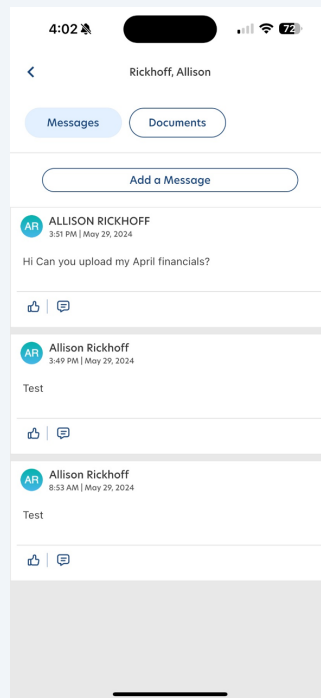

1

When you login to the mobile app it will look like this. To navigate to messages click the bottom button.

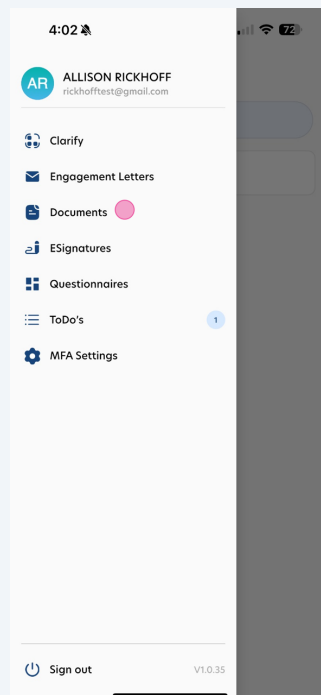

2

Here is where you can view your messages from Rickhoff and also where you can add your own for Rickhoff.

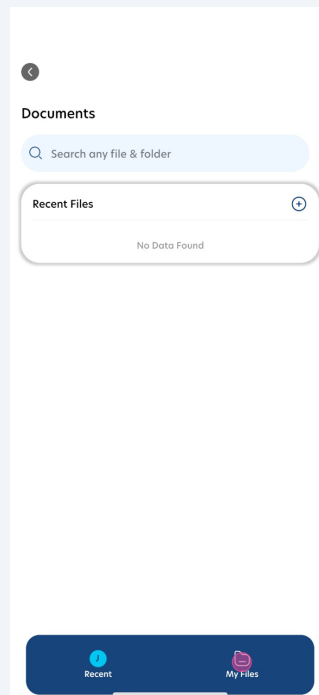

3

The side bar is where you can navigate through the app. If you want to view documents you can click "Documents".

4 Tap files on the bottom to access your files.

5 Here is where your documents are to view. You can add your own in the "File Exchange Upload" folder.
